Sign up for Electronic Giving.

Won't you consider using electronic fund transfers to make your weekly offertory contributions to Light of Christ Parish? One of the most asked question is: "Do I still get an envelope to place in the offertory basket on weekends?" Yes, you can. All you have to do is write EOG on the envelope indicating you give electronically. **Now, you can even have your contribution deducted twice a month if that is more convenient for you.**

To sign up for this program, please provide us with the information requested below and return the completed form with a voided check in the Offertory basket or to the Rectory office. If you are already signed up and would like to increase your contribution or make changes, contact Pat at the Parish Office (441-4545) during normal business hours.
