Dear Parents,
I would like to take this opportunity to thank everyone that helped make our school **Halloween Party** such a success. It is the time and talent of our parents that make these enrichment activities so rewarding for the children.

This month we will have our **Thanksgiving** feasts. Look for more information from your child's teacher.

I look forward to sharing this blessed Holiday season with you and your family and I would like to thank you for sharing your most precious treasure with us at Light of Christ.

Yours in Christ,
Becky Daschbach
